

### Spring Concert Voice Files

John Fletcher has added a new option on his website so we can have a page specifically for us, where we can have a list all the pieces for our next concert - this has already been done for our April concert. So, if you're already in our group membership, type Midlands in the search box and it should take you to our page straight away. Once you're logged in, you can *bookmark* that page to your own personal registration, and can access it in just one click.

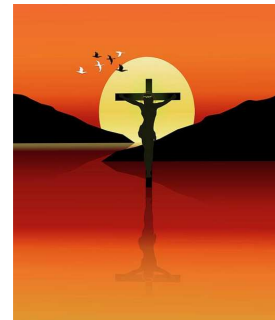

### Good Friday

Simon Palmer is pleased to invite us again to sing with him on 30th March.

This year it's The Crucifixion by Stainer at St Faith and St Laurence Church, B17 8RD 7.30 pm with a rehearsal from 5.45 pm (tbc) Dress - black and white.

You need to bring your own copy of the music.

Please email to confirm attendance to the [Secretary](#) so Simon has an idea of the numbers to expect.
